

## “Catch” a glimpse of all that RPCVSF has in store for 2015!

Please plan to attend our **RPCVSF Annual Membership Meeting** from 10:30 am – 2:00 pm, on Saturday, **October 25<sup>th</sup>** at the **International Fishing Hall of Fame**, conveniently located off I-95 in Dania Beach.

This will be a “*flip flopping*” and fun filled event for RPCVs located throughout south Florida. Whether your goal is to socialize, learn about the activities of RPCVSF, stay abreast of Peace Corps developments in DC, make professional contacts or introduce your children to the Peace Corps lifestyle, you’ll surely have a “*splashing*” good time. And we know that you’ll be “*hooked*” on our Guest Speaker: **Dr. Barth Green**, as he’ll inspire us with stories about **Project Medishare**, which provides medical care and training for healthcare professionals in Haiti. At the event we’ll raise funds for Project Medishare - donations welcome.

**Please buy your tickets now** and let us “*reef*” you in with a delicious catered lunch, featuring an assortment of foods sure to meet everyone’s tastes. Ticket price also includes complimentary all-day admission to the Fishing Hall of Fame. “*Surf*” around among familiar faces while meeting some new friends. No need to “*fish*” around for information as we’ll share accomplishments of the past year and plans for the next. We’ve added in just enough ice-breakers and networking games to make your time with us fun and engaging before concluding our event with the election and **swearing-in** of our new Board of Directors.

**Gotta make it O-FISH-AL.**

### **Ticket Prices**

**Includes a full buffet lunch and admission to the museum.**

Pre-Pay: \$25/person

Pay at the Door: \$30/person
